To: Destined For The Best
From: Travel Muse
Date: Harvest Time
Subject: The Maine Event

Harvest on the Harbor is back again this year in all it's fall flair. Held at Ocean Gateway on Portland's picturesque waterfront, new events this year will include The Ultimate Seafood Splash, a pristine spread of environmentally sustainable seafood samplings and savory wines, and The Perfect Pairing, an epicurean affair featuring gourmet hors d'oeuvres, paired with the perfect pours, to bring out the farm-fresh autumnal flavor of these first-class fusions.

Some of the best wines from local chefs' lists will be included with wines from all over the world with special focus going to handcrafted bottlings and selections made from grapes you may have never encountered.
